This year, we are going to Israel in a first-of-its-kind strategic, prophetic intercessory journey.

If you have a heart for Israel, plan to take part in this once in a lifetime event. God has made Aglow ready, given us permission, and we are answering the call.

We will travel the land together, with one focus, proclaiming, declaring, and calling forth the ancient promises, intentions, and purposes of God for the nation of Israel and the Jewish people.

General Itinerary

We will strategically intercede from three key locations: We begin in Jerusalem, the site of the first temple and the city that will witness Jesus' return; travel south to the Negev Desert to

Beersheva where God made covenant with Abraham and his generations; and end our journey of proclamation in the north (Nazareth) where Old Testament dramas played out and where Jesus grew to manhood and performed miracles.

We will update you shortly on specific locations and prayer strategy.

Costs

Every effort has been made to make this trip as affordable as possible. We want the maximum number of dedicated intercessors to take part and are offering a cash discount option.
