

DO YOU HEAR THE SOUND?

Aglow International has been called and equipped, along with other forerunner ministries, to remind the Church of her responsibility towards Israel, and the Chosen or Jewish people still scattered in the nations, as recorded in the Holy Bible.

We are also called in our daily lives to practice this call and understanding of Scripture. This is accomplished through our personal attitudes, conversation, prayer, interests and so on, as well as our public meetings and gatherings.

In Canada there has been a scattered movement of Israel-focused ministry and vision within Aglow. The National Team feels that it is time to recognize what the Holy Spirit has raised up amongst us and to unite and focus His work in this area in Canada, as well as to come alongside other similarly anointed ministries, where and as He leads.

We ask you to let us know what the Spirit has done through you in this area as individuals or as lighthouses, prayer groups or other type of gatherings.

***WOULDN'T IT BE INTERESTING TO HEAR FROM AND SHARE WITH
OTHERS WHO HAVE THE SAME INTERESTS AND VISION?
COULDN'T YOU USE SOME ENCOURAGEMENT?***

Prayer initiatives, studies, watches for Israel, special meetings, personal prayer - whatever you have already done, are planning to do, or even hoping to do, are of interest.

We want to identify those with a special vision, and those who desire to know more and develop their expertise in this area, so close to Jesus heart. We encourage every person associated with Aglow to develop their knowledge and understanding of this foundational Christian call.

- It would also be of interest to identify what areas of this mandate do you see the need for training or in depth study?
- How can we help you to develop this in your area?
- Are you involved in prayer or other ministry to or on behalf of the Jewish people with another group besides Aglow in Canada?
- Would you be interested in prayer calls and/or training calls on Israel and the Jewish people and the Church's scriptural responsibility towards them?
- Would you be interested in having someone or a team of specialists in this area come to teach in your area of the nation?

Please put the word Aglow in your subject line. We are looking forward to hearing from you!!

Let's pray right now:

Heavenly Father, God of Abraham, Isaac and Jacob, lover of our souls and redeemer of our lives,

We thank you for your Word, for our salvation, for what you have already taught us of your Word and of Your Will.

Thank you that we have the Holy Spirit living within us and have access to hear your thoughts.

We corporately recognize the importance of your Chosen People and that the Messiah, Jesus (Yeshua) was sent through them to die and rise again for all peoples.

We acknowledge that their role is not finished nor has the Church replaced them in your plan or in your heart but rather that we have been grafted into the Covenants of Israel and are full partakers of their blessings through Yeshua the Messiah.

We are humbled that you have chosen us to intercede for them and to love them as you do.

We see the irrational anti-Semitism of the nations, who rage against them rising as a sign of the times.

We are reminded of your Word and its undeniable call to those of the Church, who are not born Jewish, to honor and pray for the Jewish People.

We acknowledge their role in history, the fact that they are a nation and have a right to the land that you gave to them so many centuries ago.

We recognize that your promise is eternal, not transferable and is irrevocable irrespective of any circumstance.

We thank you for the rise of the Messianic Church, and ask you to strengthen, protect, provide for and multiply it. We honour them as our elder brothers.

We pray for your will alone to be done among the nations as you orchestrate the return of your Son.

May the day may be soon that the veil will be removed so that the Chosen People, as a whole, will recognize their Messiah and that they will cry out, 'Blessed is He who comes in the Name of the Lord.'

We humbly ask you to lead us, to organize us, to teach us and to deploy us as spiritual warriors in Canada on behalf of your Chosen People and according to your will as laid out in your precious Word.

It is in Your Son's precious Name that we pray. Amen
