

Shelley Rogers – National Prayer Coordinator

I live in a small town, Craik, Saskatchewan, with my husband Rick and our little poodle Emma. Our family is growing. We have a daughter, son both married and have 2 grandchildren, 2 grand dogs. This is us!!

I have been involved with Aglow for many years. My journey started in an Aglow bible study and then I got involved in a local Lighthouse as the book lady, hostess and treasurer; then moved on to the Saskatchewan Provincial team as a treasurer and prayer coordinator. I served as the President of Sask Area team and on the National Outreach team with Darlene Smith. I am delighted for the opportunity to serve God in a new role in Aglow.

Dutch Sheets said, “God has poured into Aglow for 50 years. We are a prepared people who do not go into battle in the power of our strength. We go into battle in the power of His strength! Aglow is a giant-killing movement! Aglow is a powerhouse for God’s glory, generating power to change the world.” We are nation changers and we will stand our ground and advance the Kingdom.

Robert Stern said, the Lord declared, “I will deliver the prey into your mouth. For the prey to be delivered into your mouth, it will take a new sound. I want to transition Aglow into an army of warriors in the nations. No longer are you coming according to your individual needs. You are coming under the Commander-in Chief of the armed forces of Heaven. Let me transition your sound. I will deliver the prey into your mouth; for when the prey gets ready to go into the lions mouth, the lion roars with victory!!”

God has been talking to me about being spiritually charged. This is the year of prey in our mouth. Our words will charge and change atmospheres!! I’m looking forward to partnering together with the army of Aglow in prayer and plugging into heaven!! The fire of His glory will be released through our mouths as we roar together for communities, regions and territories transforming earth as it is heaven and to usher in His coming!!
