

## **Declarations – Run the Race Event – Aglow International Canada - Gayle Rouse**

I declare that I am continually to change into God's image and transition from the old and into something brand new.

I acknowledge God's rulership, kingdom, and leadership

Let mercy and grace find me

I'm running out of the wilderness with my hand on His shoulder

We are full and overflowing with the glory of God

We are in full motion to receive the assignment

We are instant in season and out of season

Christ gives us hope, strength and words to speak

I will jump back up every time I trip

I am receiving a kingdom that cannot be shaken

I am positioned to not be distracted by anything around me

I am stepping into divine alignment

I will prophecy and speak life into dry bones

I have the key of David to lock and unlock

I carry governmental authority as I pray and decree

I know who I am and how to show up

A lighthouse is coming to every community in Canada

I'm a pacesetter in the spiritual realm in the Nation

We have air supremacy over the enemy

We are in the race to win it

We choose to stay in step with the Holy spirit

God is raising up new leaders with fresh vision

We are coming up higher as leaders in this transition time

I am a trumpet for the Lord

God is preparing us to release his Kingdom everywhere

I am yoked only with Jesus and the Holy Spirit

I am clothed with strength and dignity

I laugh at the days to come

I carry out only what God gives me

I am a jewel in God's treasure house

We run together and help each other

God is building His kingdom through me and through Aglow in this Nation
